

Provincial Toilet Replacement Rebate Program

MUNICIPAL PARTNERS:

Residents who have been approved for the Provincial Toilet Replacement Rebate Program may apply for further rebates from their municipality. Please contact your municipal office for further details on community toilet rebate programs.

If your community is interested in either promoting our Toilet Rebate Program or in establishing your own supplement in partnership with the Saskatchewan Watershed Authority, please call Dolores Funk at (306) 694-3900.

The following communities are Water Conservation partners with the Saskatchewan Watershed Authority. Their supplemental programs run until the end of 2012 unless otherwise noted. In most cases, you will need to apply for our rebate first, and take your cheque stub to your municipal office.
