Declaration:

By signing this, I declare the following information is true and accurate:

I am the registered property owner or authorized agent, the toilets which have been replaced used 13 litres (or more) per flush, and these old toilets have been destroyed and properly disposed of and have not been made available for re-use.

I have read and understood the terms of the program, meet all eligibility requirements and have not applied for a toilet replacement rebate under the Saskatchewan EnerGuide for Houses program.* I understand that the Saskatchewan Watershed Authority is not responsible for the installation or functioning of my new toilet(s).

By submitting the application and accepting the rebate, I agree to release and save harmless Saskatchewan Watershed Authority from all claims, actions, causes of action, losses, damages, expenses and costs of any nature whatsoever arising from or related to my participation in the program.

The Saskatchewan Watershed Authority reserves the right to reject or accept any application for the program. Any qualified rebate may be subject to onsite inspection, verification or follow-up contact by the Saskatchewan Watershed Authority, and I agree to provide access to a Saskatchewan Watershed Authority inspection.

Signature: _____

Date: _____

NOTE: You must include the original purchase receipt(s) for your new toilet(s). Duplicates, reprints and photocopied receipts are not accepted.

The receipt(s) must show clearly that a toilet was purchased. Please add the manufacturer and model names of the toilet(s) if this information is not on the receipt. If your toilet was supplied and installed by a plumber or other paid professional, their receipt must indicate clearly that they supplied the toilet. Otherwise, a purchase receipt must be submitted.

*Saskatchewan EnerGuide for Houses is a separate program run by SaskEnergy; you are not eligible for both rebates for the same toilets. If you have applied previously to the Toilet Replacement Rebate Program but not to EnerGuide, check 'No' to this question.
