

Provincial Toilet Replacement Rebate Program

Hello Retailers!

We would like to support you in making sales of low-flush toilets. To do this we offer supplies of application brochures and posters for display. If you have information on hand, your customers will be able to choose toilets which meet the program requirements. If you would like a supply of application forms, please send an e-mail request with your name and mailing address, and we'll send some to you.

If you would like a small poster to place near your toilet display area, you may either print [this file](#) or we can include a copy when we send out application forms.

When you sell a low-flush toilet, we would appreciate you reminding the customer that they will need to send in the original receipt, not a duplicate or photocopy. Thanks!
